1. From your USAFA network computer, visit our library home page: [http://library.usafa.edu](http://library.usafa.edu)

2. Click on the link for EDS on the right side of the page:
3. Create a folder account by clicking on “Your Folder” on the top right side of the page.

4. Click “Sign in to My EBSCOhost” link to create a new account:
5. Click on “Create one now”
6. Supply information including personal email, easy to remember user name and strong password.

Please note that if you take too long to complete this process, the system will time out and you will receive the dreaded circle with arrow and will not be able to continue.
Success looks like this!

Your account has been created.

USING YOUR NEW REMOTE ACCESS FOLDER ACCOUNT

1. Access our library homepage from your personal device: library.usafa.edu
2. Click on the EDS link on the right side of the page:

![EDS Link](image1)

3. Click on Guest Login to access the full account:

![Guest Login](image2)

Hello, Guest. Login for full access.

Please note that the EDS app you may download will not give you access to all of the content the library pays for you to access.
4. Use your folder account User ID and Password to login:

![Login Page]

**Important User Information:**

Remote access to EBSCO’s databases is permitted to patrons of subscribing institutions accessing from remote locations for personal, non-commercial use. However, remote access to EBSCO’s databases from non-subscribing institutions is not allowed if the purpose of the use is for commercial gain through cost reduction or avoidance for a non-subscribing institution.
5. Search the site and access library subscribed content from Anywhere!

6. If you cannot access the content you want, chances are the library has not subscribed to it. Please contact the library to get the materials you need: 719-333-4406 or libinfo@usaaf.edu.
